

## Application for Certificate of Factory Production Control for UKCA Marking purpose (EN1090)

# Application for Certificate of Factory Production Control for UKCA Marking purposes (EN1090)

The Application shall be drawn up by the manufacturer or by their authorised representative.

The BBA will prepare a contract for a Certificate of Factory Production Control on the basis of the information set out in this short Application Form. It is important that your requirements are fully and precisely defined within this document as a failure to do so could result in errors or omissions in the contract.

If there is insufficient space for any of your entries on the form please insert extra pages. If you consider that any of the questions do not apply to your product, mark as 'not applicable'. Please do not leave any sections blank.

Information supplied by you will be treated in confidence and will not be disclosed, other than as required: to any third party that the BBA instructs or consults in connection with your application; under statute; or by English law.

If you have any queries, please contact BBA Client Services at <a href="mailto:clientservices@bbacerts.co.uk">clientservices@bbacerts.co.uk</a> or your existing BBA Sales contact.

The flow chart below indicates the BBA's work process, from receipt of initial enquiry to issue of a Certificate of Factory Production Control.
