

## Correct use of BBA Approved Body Number

The **BBA Approved Body Number (0836)** can only be used:

- in direct association with products or systems covered by a current Certificate of Constancy of Performance or Certificate of Factory Production Control or relevant BBA Test Report
- by holders of these Certificates.

Use of **BBA Approved Body Number (0836)** does not extend to other companies which are:

- part of the same corporate group as the Certificate holding company: or
- named in a Certificate, for example as a supplier.

Particular care must always be taken to avoid the association of the **BBA Approved Body Number (0836)** with other products or systems or schemes and with claims or information not contained in the BBA document.

The **BBA Approved Body Number (0836)** can only be used as described herein and while a Certificate is valid. The BBA will suspend or withdraw a Certificate in cases where it considers that its **Approved Body Number (0836)** is being used improperly and/or in a manner that may mislead. In addition, the BBA may publicise any transgression as it thinks fit.
